Achieved a 75% score in the 10th grade through the C.B.S.E. board.

ENTHUSIASM

- Playing chess
- Watching movies
- Traveling and exploring

PERSONAL PROFILE

I am currently engaged in my graduate studies, concentrating on computers and cybersecurity. I possess a solid foundation in computer applications and excel in both communication and client management.

SKILLS

- An effective communicator and attentive listener, analyzing every detail based on provided and specific data.
- Skilled in social media, with abilities in video editing and capturing high-quality photographs.
- Build expertise in programming languages like Python, R, and Java.
- Possess knowledge in finance, microfinance, entrepreneurship, management, and research.
- Have experience with two research papers completed as part of my dissertation in our DME course.
- Proficient in website design.

EXPERIENCE

- I am currently a fresher in my professional journey, but I have gained valuable experience from my past. like;
 - 1.I work as a tutor specializing in computer science and mathematics.
 - 2.I have previous experience in data entry; most recently, I entered 311 new student registration records for a government school.
